manual beginner Ebook - Next Level Guitar Lessons

not more. I have twelve guitars at this time and love them all - they are all unique and have their own voices. The biggest thing to keep in mind when making this decision is the electric guitar is a little easier to learn on than an acoustic. On an electric guitar, the strings are of a lighter gauge, the action is lower,

- Connect mics and guitars directly using combined XLR/ standard phone jacks The H4n Pro includes input jacks for connections that can accommodate a variety of recording styles. Microphones, including stereo mics and condensers, electric guitars, basses and keyboards can all be connected directly.

Guitar Notes Explained

This is the way most guitars are tuned. There are other ways to tune a guitar that change the

guitar notes, but it's best to avoid alternate tunings while you're a beginner. Stick with standard tuning for at least the first 6 months of your guitar journey. If you switch to an exotic alternate guitar tuning, the chord shapes all change.
